- PDF resources on all leagues around North America + Europe

SERVICE

\$449 CAD + HST

- 1. Text Chat & Personalized Messaging:** We will establish a dedicated text chat platform for seamless communication, receiving tailored advice and support at anytime.
- 2. Monthly Video Call:** To ensure continuous progress and address any concerns, we will conduct one video call session with the player & family per month. These sessions will serve as valuable opportunities for mentorship, league discussions, and any open Q&A. We will also devise a long-term plan using our career roadmap for future paths.
- 3. Educational Resources:** Our team will provide informative PDF resources offering insights into the evolving hockey landscape. Players will gain valuable knowledge about potential career pathways, enabling them to make informed decisions based on their current position and aspirations.
- 4. Team/League Insights:** We will provide guidance and advice on any potential leagues or teams that you are interested in, giving our best feedback to help guide you along the right path.

MyAgent is strictly an educational and consulting resource. 3V will not promote a player to any teams using this service.
